Re: Site Reassessment Report for Rico-Argentine

Dear Mr. Escure,

Pursuant to your letter via email to Debra Ehlert dated December 10, 2003, I am enclosing a copy of the Site Reassessment report for the Rico-Argentine site. The report is a summary of existing environmental sampling work conducted in and around the town of Rico, Colorado. It includes a narrative summary of previously gathered data by environmental media and associated maps.

If you have any questions, please call either Debra Ehlert at (303) 312-6108 or myself at (303) 312-6512.

Sincerely,

Luke D. Chavez, Site Assessment Manager  
Preparedness, Assessment, and Emergency  
Response Program
